### Six good reasons to take advantage of the mobile classroom:

**Flexible:** Onsite training at your offices. Media Tek can bring laptops for each attendee (up to 8) and a projector. So any meeting, boardroom or even cafeteria can be quickly set up for training.

**Convenient:** No more juggling dates or waiting for courses to be scheduled. We will train on the dates and times that suit you. Daytime, evening or even weekends.

**Cost-Effective:** Particularly for groups of two or more. One day of training can cost as little as \$199 per person. *We are also happy to provide 'one-on-one' training for individuals.*

**Experienced:** Media Tek Ltd. has been in the IT training business since 1999 and only employs Microsoft Certified Trainers backed up by the Microsoft Partner Program.

**Tailored:** We can customize any training to suit your business needs. Please tell us what you want!

**Support:** Every attendee receives their own reference material and we are happy to provide telephone and e-mail support after the course.

*Providing one-day skills building courses in Microsoft Office and shorter knowledge sessions. Please [contact us](#) for details.*
